

Introducing the Moto Z<sup>2</sup> Play. A thinner, lighter, faster smartphone that transforms with Moto Mods™—a movie projector, stereo speaker, and more in a snap. TurboPower™ charging, all day battery, and our first camera combining laser and dual autofocus pixels are all available in the Moto Z<sup>2</sup> Play. Explore your passions.

## product specification

### technology

#### Operating System

Android™ 7.1.1, Nougat

#### System Architecture/Processor

Motorola Mobile Computing System, including Qualcomm® Snapdragon™ 626 Processor with up to 2.2GHz Octa-Core CPU and Adreno 506 GPU Natural Language Processor Contextual Computing Processor

#### Memory (RAM)

3 GB LPDDR3/4 GB LPDDR3

#### Storage (ROM)

32 GB/64 GB with microSD card support (up to 2TB)

#### SIM Card

Nano-SIM™ Dual-SIM available in certain countries\*

#### Sensors

Fingerprint Reader, Accelerometer, Ambient Light, Gyroscope, Magnetometer, Proximity, Ultrasonic

#### Water Protection

Water repellent nano-coating

### physical

#### Dimensions

76.2x156.2x5.99mm

#### Weight

145g

#### Display

5.5" Full HD 1080p (1920x1080) Super AMOLED Corning® Gorilla® Glass

#### Colors

Lunar Gray, Fine Gold

#### Battery

3000mAh, up to 30 hours TurboPower™ charging, for up to 8 hours of use in 15 minutes (50% charge in 30 minutes)

### camera

#### Rear Camera

12MP 1.4um Dual Autofocus Pixel f1.7, Laser Auto Focus, Phase Detection Auto Focus (PDAF), Color Correlated Temperature (CCT) dual LED flash, Professional mode, Auto Night mode, Video encode 480p (30fps) 720p (120fps) 1080p (60fps), 4K (30fps)

#### Front Camera

5MP 1.4um f/2.2 Wide-Angle 85° lens, Color Correlated Temperature (CCT) dual LED flash, Auto Night mode, Beautification software, Professional mode, Video encode 480p (30fps) 720p (120fps) 1080p (30fps)

### connectivity

#### Network Bands (by model)

India:

GSM/GPRS/EDGE (850, 900, 1800, 1900 MHz) UMTS/HSPA+ (850, 900, 2100 MHz) 4G LTE (B1, 3, 5, 8, 40)

#### Connectivity

Moto Mods™ connector, USB-C port, 3.5mm headset port

#### Bluetooth® Technology

Bluetooth version 4.2 LE + EDR

#### Wi-Fi

802.11 a/b/g/n 2.4GHz + 5GHz

#### Speakers/Microphones

Front-ported loud speaker, 3 Mics

#### Video Playback

480p (30fps) 720p (120fps) 1080p (60fps), 4K (30fps)

#### NFC

Yes

#### Location Services

A-GPS, GLONASS

Certain features, functionality and product specifications may be network dependent and subject to additional terms, conditions, and charges. All are subject to change without notice. MOTOROLA and the Stylized M Logo are registered trademarks of Motorola Trademark Holdings, LLC. All other trademarks are the property of their respective owners. ©2017 Motorola Mobility LLC. All rights reserved. Moto Z<sup>2</sup> Play is designed and manufactured by Motorola Mobility, a wholly owned subsidiary of Lenovo. Colors vary by market, check with your local retailer for availability. [MicroSD Card] MicroSD card sold separately. Content with DRM restrictions may not be able to be moved to the card. 256GB is the maximum capacity currently available. All battery life claims are approximate and based on a standard mixed use profile. The mixed use profile is based on Motorola devices on major 4G LTE networks with excellent coverage and includes both usage and standby time. Out-of-box settings are applied to the mixed use profile to project battery performance. Actual battery performance will vary and depends on many factors including signal strength, network configuration, age of battery, operating temperature, features selected, device settings, and voice, data, and other application usage patterns. [Water Resistance] Advanced nano-coating technology creates a water repellent barrier to help protect against moderate exposure to water such as accidental spills, splashes or light rain. Not designed to be submerged in water, or exposed to pressurized water, or other liquids; Not waterproof. [TurboPower] Battery must be substantially depleted; charging rate slows as charging progresses. Charger sold separately in some markets. [Storage] Available user storage is less due to preloaded software, and is subject to change due to software updates.
